

# ERP - Módulo SCM

## Gestión de tu logística

La inclusión de un **sistema de cadena de abastecimiento y distribución**, te brindará múltiples **beneficios**:

Control total  
en una aplicación

Registro seguro  
en la Nube

Actualización  
en tiempo real

La cadena de suministro **SCM**  
de **OasisCom** permite:

Realización a  
menor costo

Rapidez

Diferenciarse de  
la competencia

Mejora del  
flujo de caja

Agregar valor  
a los productos  
y servicios

Reducción de  
ciclos de venta

Personalizar las consultas, de acuerdo  
a la información que deseas visualizar.

### Cómo lo logramos:

Haciendo que el **modelo operativo**  
tenga un **impacto directo** en el modelo  
económico, debido a que determina:

Tiempos de respuesta a  
las solicitudes que hacen  
los clientes

Ciclos de facturación

Compras

Rotación de inventarios

Utilización de activos
